

## Product Data Sheet

LED svítilna

**LED svítilna Convoy**  
**L6/3800 lm 5000K, FX-30**  
**černá**

Order number  
**003300**

### General information

Název položky **6 - 3800**

### Electrical characteristics

Voltage battery **3,7 V**

### Working conditions

Charging time **24 h**

Battery capacity **4000 mAh**

Power **32 W**

### Physical characteristics

Type of chip **CREE XHP70 N2**

Total length **252 mm**

Reflector diameter **75 mm**

Number of LEDs **1**

### Additional information

Battery quality **2x Li-Ion 26650**

### Lighting characteristics

Colour temperature **5000 K**

Colour rendering index CRI **80 Ra**

Luminous flux light source **3800 lm**

### Popis
